

IMPARTIAL ANALYSIS BY CITY ATTORNEY
MEASURE "Z"

Measure Z would add Chapter 3.18 to the Wildomar Municipal Code entitled "Save Wildomar Community Parks Funding Measure." The Measure would establish a dedicated funding source to pay for the operation, maintenance and repair of Wildomar's community parks and related facilities, programs and services.

The Measure creates an annual special tax of up to \$28 on each Assessor's parcel of real property in the City of Wildomar. The tax revenue will be restricted to pay for the repair, operation and maintenance of Wildomar's community parks and related facilities, programs and services. For example, the Measure specifies that tax proceeds must be used for Wildomar community park purposes such as maintaining safe playground equipment, public restrooms and sports fields as well as restoring safety lighting and removing graffiti at community parks.

The tax revenue must be used locally within the City of Wildomar, such as at Marna O'Brien Park. The funds also must undergo annual financial audits: In addition, each year the City Council will receive a report that accounts for the tax's proceeds and expenditures and describes the types of facilities, programs and services funded.

The Measure requires the formation of a five-member Citizens Oversight Advisory Committee. This Oversight Committee will advise the City Council regarding the collection and expenditure of tax revenues collected.

A "Yes" vote on Measure Z means the voter is in favor of the creation of a dedicated funding source for Wildomar's community parks and related facilities, programs and services by means of an annual special tax of up to \$28 per year per Assessor's parcel.

A "No" vote on Measure Z means the voter is opposed to the creation of a dedicated funding source for Wildomar's community parks and related facilities, programs and services by means of an annual special tax of up to \$28 per year per Assessor's parcel.

Two-thirds (66%) of the qualified voters casting a "Yes" vote would approve Measure Z.
