

Ham Radio Class

Now Forming

Get your **General Class (upgrade) FCC
Amateur Radio License.**

This license will allow you to communicate with more frequencies, more communication options and more fun. The extra privileges attained are well worth your effort to further enjoy the world-wide excitement of Amateur Radio.

Where?

Wildomar City Hall, 23873 Clinton Keith in the Oak Creek Mall. East of I-15 on Clinton Keith. East to first traffic light. Turn Right. Building is South of Albertson's and Ace Hardware.

When?

Session 1 is on Monday, April 5, 6:00 to 9:00 PM
Session 2 is on Monday, April 12, 6:00 to 9:00 PM.
Session 3 is on Monday, April 19, 6:PM to 9:00 PM
Session 4 is on Saturday April 24, 9:AM and will include
FCC testing for all classes starting at 10: AM

How much will it cost?

The ARRL Ham Radio License Manual (\$24.95) is to be paid when registering. The Golden Triangle Amateur Radio Club supplies certified instructors and FCC licensed test administrators with no fee. The city of Wildomar has made room available in city hall for these classes. The ARRL required testing fee is \$15.00 to be paid at testing.

IT IS IMPERATIVE THAT YOU REGISTER EARLY TO ASSURE A SPACE AND A TEXT BOOK.
