

Ham Radio Class

Now Forming
Get your Technician (entry level) FCC
Amateur Radio License.

This license will help you communicate when all else fails and is your gateway to the world-wide excitement of Amateur Radio.

Where?

The new Wildomar City Hall, 23873 in the Oak Creek Mall. East of I-15 on Clinton Keith. East to first traffic light. Building is south of Albertson's and Ace Hardware.

When?

Session 1 starts on Tuesday, October 27 at 7:00PM.
Session 2 is on Thursday, October 29 at 7:00PM.
Session 3 is on Friday, October 30 at 7:00 PM
which will include FCC testing for all classes.

How much will it cost?

The ARRL Ham Radio License Manual (\$24.95) is to be paid when registering. The Golden Triangle Amateur Club supplies certified instructors and FCC licensed test administrators with no fee. The city of Wildomar has made room available for these classes. The ARRL required testing fee is \$15.00 to be paid at testing.

IT IS RECOMMENDED THAT YOU REGISTER EARLY TO ASSURE A SPACE AND TEXT BOOK.
A study guide will be sent via E-mail to start your journey into Amateur Radio upon your registration.
